## President Sid's Message

I trust Santa left you a neat philatelic item under the tree for your relaxing pleasure and study over the hectic holiday season. I was the happy recipient of "The Rates and Postal History of Canada's Peace Issue 1946-1952" by Mike Street (2015). (Self-ordered - 40% off as a BNAPS member - a good reason to join!)

For those who attended, the WTSC Christmas celebration at the Canadiana Restaurant was a great success (there was a significant increase in numbers over last year). Besides the spirited conversations and fine food, the evening also allowed us to get to know the partners who support us in our philatelic pursuits. We also recognized Fred Froud's 95<sup>th</sup> birthday with a delicious birthday cake. A special thank you to those who donated prizes for the evening. If you missed this annual event, plan to attend in 2016.

We were saddened mid-December by the sudden passing of Chris Edwards, our Membership Secretary and interim VP. We would all agree that Chris's contributions to the success of our Club were many. His passing has left a significant hole in the leadership of the Club. For the interim, Frank Alusio has agreed to take over the Membership Secretary role, and Garfield Portch will take on responsibilities that fall to the VP during my absence. Thank you to these two stalwarts of the Club as they once again "step up to the plate".

As we look to the future leadership of the Club, I would ask you to consider putting your name forward to fill a vacancy on the WTSC Board. We will soon be detailing the nominating procedures and vacancies for the 2016 - 2018 term. Volunteering ensures the success of your Club and cannot help but spur on your own enthusiasm for this great hobby of ours.

The beginning of a new year is a good time to recommit to your stamp collecting goals. What one step will you take this month to ensure that you meet the goals you set earlier in the year? Above all, resolve to have fun and enjoy the development of your collections / your personal research and the hunt for that elusive philatelic item. I am looking forward to seeing you in the New Year.

## A Lighter Moment

This is courtesy of the Saskatoon Stamp Club, of which your Editor is also a member.

A man was walking down the street, when he was accosted by a particularly dirty and shabby-looking homeless man, who asked him for a couple of dollars for dinner. The man took out his wallet, extracted ten dollars and asked, "If I give you this money, will you buy some beer with it instead of dinner?" "No, I had to stop drinking years ago," the homeless man replied. "Will you use it to go fishing instead of buying food?" the man asked. "No, I don't waste time fishing," the homeless man said. "I need to spend all my time trying to stay alive." "Will you use it to go hunting instead of buying food?" the man asked. "Are you nuts!" replied the homeless man. "I haven't hunted in 20 years!" "Will you be buying any stamps with this money?" the man asked. "No," said the homeless man as he shook his head sadly. "I sold my stamp collection years ago." "Well," said the man, "I'm not going to give you the money. Instead, I'm going to take you home for a shower and a terrific dinner cooked by my wife." The homeless man was astounded and asked "Why?" The man replied, "I want my wife to see what a man looks like after he's given up drinking, fishing, hunting, and stamp collecting."
